

## Great News! Our Return to Road Racing!

Governor Baker has ended the State of Emergency in Massachusetts effective June 15, 2021.  
According to mass.gov, Covid-19 restrictions have been lifted!

During the past several weeks, we have been working closely with our community partners. City Council, Board of Selectman, Police, Fire, DPW, Board of Health and other local officials have been working to determine when their communities will allow racing to begin again.

We are beyond thrilled to confirm that live, in-person YuKan road races will begin again effective August 1, 2021!

Our first live, in-person road race will be the Building Center TripleThreat Half Marathon, 5K & 1-Mile in beautiful Rockport, MA on August 1, 2021. Registration is open.

We're grateful for everyone's patience and understanding as we all worked together to navigate the difficult circumstances that the pandemic presented us all.

We look forward to seeing everyone return to the starting line at long last. We'll be there to cheer for you when you reach the arch and celebrate your well-earned finish.

Reaching your goals will be a little bit sweeter this year!  
Cheers to racing again in 2021!
